

**PRP Search Activities Verification Form  
for Decision Document to Not Pursue CERCLA Cost Recovery**

**Subject: Verification of PRP Completion for Former United Zinc #1 Superfund Site/CERCLIS Site I.D. KSN000705026 and Site Number of A78Q located in Wichita, KS.**

**From: Denise L. Roberts, Site Attorney**

**To: Former United Zinc #1 Superfund Site**

The purpose of this memorandum is to verify that as of \_\_\_\_\_, I attest that all reasonable PRP search tasks have been completed at the site in support of the Regional decision not to pursue cost recovery, in the amount of \$3,669,972.38.

Attached to the "Decision not to Pursue Cost Recovery" is the PRP Search Reference Summary as Attachment A which lists all PRP search documents that were used in making this determination and their respective location. Questions regarding this verification or the contents of the attached reference summary should be addressed to the Site Attorney.
